

Hi There!

Thinking about taking the next step in your academic journey in one of Asia's safest, most stable and globally connected cities?

Join us in **Budapest** and meet representatives from the **National University of Singapore (NUS)**, **Nanyang Technological University (NTU)**, **A*STAR** and **SGInnovate** to discover opportunities across Singapore's research and innovation landscape.

Whether you are a **student, researcher or aspiring innovator**, explore the many pathways available in Singapore — from **PhD and Master's by Research programmes**, to **research attachments, internships, postdoctoral opportunities** and potential research collaborations.

Discover how **NUS and NTU** can support your academic and research ambitions, explore **research and postdoctoral opportunities with A*STAR**, and learn how **SGInnovate connects deep-tech research, industry, startups and talent**, opening pathways for those interested in translating research into real-world impact.

You'll also have the opportunity to learn more about Singapore's wider research landscape, connect with representatives from each institution, and discuss opportunities aligned with your **research interests, career goals or ideas for future collaboration**.

After the sharing, stay on for a networking dinner, where you can continue the conversation with representatives from the different institutions in a more relaxed and conversational setting.

Register now to secure your place! Limited seats available.

 **Budapest, Hungary**
15 October 2026 | 4:00pm – 8:00pm
Movenpick Hotel Budapest Centre
