

CALL FOR APPLICATIONS

Would you like to spend 10 unforgettable days with awesome people from all around the world? If your answer is yes, you should definitely join SCiM 2019!

Student organization of University of Maribor proudly invites students from across the globe to participate in **Student Conference in Maribor (SCiM)**, which will take place from **1st of July** until **10th of July 2019** in **Maribor, Slovenia**.

SCiM is an international student conference where each year 60 students from all around the world gather not only to attend educational workshops, but also to take part in other activities of the conference. The main purpose of the conference is to unite students from different countries in one place, where they have an opportunity to gain new knowledge, network and create valuable connections. Beside workshops students also have the opportunity to experience the city of Maribor through different activities, explore Slovenia on a two-day excursion and establish new friendships.

This year's theme is called **»Challenges of young people in modern world«**. With it we want to draw attention to all main problems that young people nowadays face and inform students how to tackle these problems. Within conference participants will have a chance to participate in one of six workshops connected to challenges, such as working on their work-life balance, stress prevention and reduction, emotional intelligence, career development and finding of their circus spirit.

How to apply?

If you want to join SCiM, you have to fill out online application form. The applications will be open from **1st of February (00:00 CET)** till **28th of February (23:59 CET) 2019**.

All applicants must fulfill the following requirements:

- an applicant must be aged between 18 and 28 years old,
- an applicant must have a valid student status at the time of the conference,
- an applicant must submit the application form, which is available on our website.

Fee and expenses

The participants have to pay 100€ participation fee and cover their own travel and visa expenses. The participation fee includes accommodation, food (dinner on the arrival day, three meals per day during the conference, breakfast on the departure day), workshop expenses, excursion and all afternoon and evening activities.
